Andantino moderato.

No. 12.

FA
0

Second system of musical notation for guitar, consisting of seven staves. The notation includes treble clef, a key signature of one sharp (F#), and a 3/8 time signature. It features a complex melodic line with many accidentals and a bass line with various chords and fingerings. Fingerings are indicated by numbers 1-4 above or below notes. There are also plus signs (+) above some notes. The system ends with a double bar line.

Verschiedene Personen fanden, daß meine vier und zwanzig Lektionen /:Übungsstücke/ für Anfänger etwas zu rasche Fortschritte erheischten, und geeignet seyen, dem Schüler eine grosse Geschicklichkeit zu erwerben; daß aber diese Anordnung denjenigen weniger zusage, welche nur eine mittelmässige Stärke zu erlangen wünschen, und sich damit begnügen, daß sie sich selbst begleiten und einige angenehme, jedoch nicht sehr schwierige Stücke spielen können, indem sie keinen grossen Zeitaufwand zu anhaltenden Übungen zu verwenden haben. Die Richtigkeit dieser Bemerkungen veranlassten mich, diese Übungsstücke /:Studien:/ zu komponiren, welche den Schüler hinreichend in Stand setzen, sich zu begleiten, und im Falle er sich weiter zu bringen wünscht, sich auch mit den vier und zwanzig Lektionen beschäftigen zu können — diese werden ihm nun weit leichter seyn, indem er schon die Grundlage von jeder eingeübt hat.

Besonders werden diese Studien denjenigen von grossem Nutzen seyn, welche nach der Schule studiren wollen, welche ich herauszugeben im Begriff bin, indem es mein eigentlicher Zweck gewesen ist, die Theorie, welche in jener enthalten ist, praktisch auszuführen.

Plusieurs personnes ont trouvé que mes vingt-quatre leçons pour les commençants exigeaient des progrès un peu trop rapides, et qu'elles étoient disposées de manière à mettre l'écolier à même d'acquérir un grand talent: que cette disposition n'étoit point celle qui convient à ceux qui ne visent qu'à devenir d'une force médiocre, et qui ne pouvant donner une grande assiduité à l'étude, se contentent de pouvoir s'accompagner et de jouer quelque morceau agréable sans qu'ils soient d'une grande difficulté. La justesse de ces observations m'a décidé à composer ces Exercices qui peuvent suffire à donner la facilité nécessaire pour s'accompagner et mettre l'écolier en état de s'occuper des 24 leçons, s'il désire augmenter son talent; ces leçons lui paroîtront alors moins difficiles puisqu'il aura déjà exécuté ce qui fait le fond de chacune.

Ces exercices seront très utiles surtout aux personnes qui étudieront d'après la méthode que je suis sur le point de publier, car mon but principal a été de mettre en pratique la théorie qu'elle renferme.
